## Your Privacy and AB Tinting

AB Tinting is committed to upholding the confidentiality and security of your personal information. The information below explains what we do with the data we collect and applies to information submitted anywhere on this site.

## The Information We Collect

AB Tinting collects information voluntarily provided to us through this site. AB Tinting does not collect personally identifiable information about individuals except when specifically and knowingly provided by such individuals.

## Cookies

AB Tinting does utilise cookies. A “cookie” is a small piece of data sent from a website and stored in a user’s web browser while the user is browsing that website. This information helps AB TINTING to know how and when our site is visited and which pages are viewed.

Third party vendors, including Google, use cookies to serve ads based on a user’s prior visit/s to our website. This means that you might see an AB Tinting ad when browsing the internet because you visited our site.

We use non-personally identifiable information collected through a “cookie” to improve the design and content of our site, to enable us to personalise your Internet experience, analyse trends, gather broad demographic information, administer the site, and for other AB TINTING purposes.

Users may opt out of Google’s use of cookies by visiting the [Google advertising opt-out](#) page.

## Security

AB Tinting will not sell, rent, share, trade or give away any personally identifiable information to any third parties outside our partner organisations and those working directly with them in connection with AB TINTING activities. We will only disclose

At present, we centralise records of personal information in the United States of America and in Thailand. Therefore, we may transfer your personal information to other countries, including but not limited to the United States of America and Thailand, and may perform some of our data processing of your personal information outside your country of residence. The transfer and processing of your information may be governed by the laws of the United States of America, Thailand, or another jurisdiction, which may not offer the same rights and remedies as the laws in your country of residence. AB TINTING will protect your personal information no matter where we process or store it, following this privacy statement.
